

Benchrest UK Range Improvement Grants

Benchrest UK is pleased to announce the availability of Range Improvement Grants for officially recognised Clubs and Ranges seeking to enhance their facilities for the benefit of current and prospective members.

Applications are particularly encouraged from Clubs and Ranges that actively promote the sport of Benchrest Shooting, and that are licensed to operate both Air and Rimfire rifle disciplines at distances up to 50 metres outdoors. A preferred minimum of ten firing points is recommended. All applications must be submitted by an authorized representative. Where applicable, submissions must include full plans and evidence of any required local planning permissions.
